是次活動得以順利舉行，鄒秉恩校長特別感謝區內多間幼稚園的參與，並指出近年區內學校的相互合作及交流增加，讓大家可以共同分享、共同創造，發揮協同效應，尤其於幼兒學前教育方面提供更多指引及資源，從而建立一個強大的協作網絡，為社區帶來更大的影響。

「造夢」及「傳承」之後，學校將繼續以「堅持」、「同行」兩大主題，舉行大型運動會及 20 周年音樂會等，為學校 20 周年帶來富紀念性並具特別意義的一年。屆時將有更多詳情公佈，請各位積極支持及參與！

“Character Building Community Event” was a big hit!

The “Character Building Community Event” online event held by W F Joseph Lee Primary School was a big success! The event was so innovative and interesting that over 70 families from a number of kindergartens in Tin Shui Wai district had a major takeaway about traditional Chinese virtues, namely “Benevolence, Righteousness, Courtesy, Wisdom and Faith”! We wished all participants understand that it took the joint efforts of the school, family and even the entire community to build a positive and value-based environment for the kids to build their characters.

Do you know how the structure of the brain and its development affect the character building of a child? Professor Meanne Chan, Health Psychologists gave a simple lesson on this from the angle of brain’s neurobiology. How about “transforming” a kindergarten kid into a primary school student? Our Chinese subject teachers tailor-made a primary class experience for these kindergarten kids so that they could learn about Chinese virtues via innovative class activities. Other amazing activities included: Ms. Shirley Loo, an experienced family counselor to share how to nurture a child’s kindness in a family; Mr. Remus Kwok, Service Supervisor of the Positive Education Laboratory to share how to build virtue and family trust among daily games. Parents and kids were very engaging in these interesting and practical activities!

The event marked the second of the four episodes - “Dare to Dream”, “Pass the Torch”, “Be a Warrior” and “Together We Shine” under the School’s 20th anniversary celebration. Chairperson of the 20th Anniversary Organising Committee, Ms. Christina Maisenne Lee said she wished to pass along the belief that the School beheld to a wider audience and brought positive influence to the community, especially in Tin Shui Wai district which the School was based in and closely connected to, through meaningful celebration activities.

The event was a great success. Principal Alan Chow, WFJLPS was grateful for the participation from a number of kindergartens in the district. The increased cooperation and collaborations among different schools in the community in recent years had enabled them to co-share, co-create and achieve synergy. It aimed to create a strong collaboration network and provide more guidance and resources, especially in the area of preschool education, and ultimately bringing positive impacts to the community.

Following “Dare to Dream”, “Pass the Torch”, the school will continue to host a large-scale Sports Day and a 20th anniversary concert under the episodes “Be a Warrior” and “Together We Shine”. All these are poised to bring a memorable and remarkable year to the School.

More details will be announced later and please continue to support us!
