## WF Joseph Lee Primary School

**Annual School Plan** 

2010-2011

#### W F Joseph Lee Primary School

#### Our Ideal

"Students are life-long, life-wide Learners"

We want to see young people who cherish and enjoy learning perform to the best of their abilities in whatever they do. We want our students to undergo a comprehensive and cohesive system of primary education and develop into confident, innovative, resourceful persons who are brave in facing their responsibility in society. We believe they are persons who are biliterate and trilingual, possess the skills necessary in tackling daily problems, attuned to their surroundings with compassion, civic-minded and tolerant, appreciative and open-minded, and are life-long learners.

#### Our Vision

"The school is an exemplary Learning Organization wherein every member achieves one's best."

Our students as beacons of light

Our teachers and staff as exemplary mentors and role models

Our school as a learning institution for all

#### Our Mission

We pledge to provide our students with learning opportunities to lay a sound foundation in developing their multiplicity of capabilities so that they are intellectually individual thinkers.

We pledge to develop students to their fullest potential in all areas: ethics, intellect, physique, social skills and aesthetics.

We pledge to develop students into responsible future members of society worthy of respect.
